Senior's Smart Budgeting Travel Planner

Welcome

Traveling smart doesn't mean cutting corners — it means choosing what truly matters to you. This planner is designed to help you enjoy your trip without financial stress. Whether you're budgeting for a cruise, a weekend getaway, or a month-long adventure, these worksheets and tips will help you plan confidently.

Pre-Trip Budget Snapshot

Estimate and track your travel expenses below:

CATEGORY	ESTIMATED COST (\$)	ACTUAL COST (\$)
FLIGHTS		
LODGING		
MEALS		
ACTIVITIES		
INSURANCE		
MISCELLANEOUS		

 Notes (e.g., points used, deals found): _____

Smart Saving Strategies

- ☐ Travel during shoulder season to save on airfare and lodging.
- ☐ Use AARP or senior discounts — check sites and tours before booking.
- ☐ Pack snacks for travel days instead of buying at airports.
- ☐ Bundle accommodations and flights for better deals.
- ☐ Consider alternate airports nearby for cheaper routes.

Hidden Costs to Watch For

- ☐ Foreign transaction or ATM fees.
- ☐ Tourist taxes added at hotel checkout.
- ☐ Cruise gratuities or resort fees.
- ☐ Baggage fees or overweight charges.
- ☐ Ride-share surge pricing during peak times.

Value-Based Spending Guide

Reflect on what matters most to you for this trip:

Most important experience (e.g., food, museums, comfort): _____

What I can skip or save on: _____

☐ My 'splurge' category: _____ ☐ My 'skip' category: _____

Budgeting Confidence Tips

Before You Book:

- ☐ Compare prices across at least three sites before booking anything.
- ☐ Double-check refund and cancellation policies.

While You Travel:

- ☐ Cash for daily spending is used to stay within budget.
- ☐ Keep one credit card set aside for emergencies only.

After You Return:

- ☐ Record what worked (deals, discounts, hacks).
- ☐ Update your budget template for future trips.
